

# **Accessibility for www.northswedencleantech.com**

North Sweden Cleantech is behind this website. We want as many as possible to be able to use the website. This document describes how North Sweden Cleantech complies with the law on digital accessibility to digital public service, any known accessibility problems and how you can report deficiencies to us so we can remedy them.

## **How Accessible is the Website?**

We are aware that some parts of the website are not fully accessible. See the section below on content not available for more information.

## **What Can You Do if You Can Not Use Parts of the Website?**

If you need content from [www.northswedencleantech.com](http://www.northswedencleantech.com) that is not available to you, but which is exempt from the scope of the law as described below, you can let us know.

The response time is usually one day.

You contact us as follows:

- Send e-mail to [admin@northswedencleantech.se](mailto:admin@northswedencleantech.se)
- call +46 72 453 76 86 or +46 70 242 95 01

## **Report Deficiencies in the Accessibility of the Website**

We are constantly striving to improve the accessibility of the website. If you discover problems that are not described on this page, or if you believe that we do not meet the requirements of the law, contact us and let us know about the problem.

## **Supervision**

The Agency for Digital Government has the responsibility for supervising the law on accessibility to digital public services. If you are not satisfied with how we handle your views you can contact the Agency for Digital Government and report it.

## **Technical Information About the Accessibility of the Website**

This website is partially compliant with the Digital Public Service Accessibility Act. There is content on this website which in one way or another is not fully available. Our ambition is to launch an updated website at the beginning of 2021 which will be compatible with the Digital Public Service Accessibility Act.

Regarding the content on current website which is not fully accessible, Kompetensspridning i Umeå AB invokes exceptions for unreasonably burdensome adaption in accordance 12 § Digital Public Service Accessibility Act.

Website was published August 2<sup>nd</sup> 2016.

The accessibility report was updated November 23<sup>rd</sup> 2020..
